

**PPI/PRO/2019/1/00041/U/00001**

	<b>Agreement no.</b>	<b>Form of education</b>	<b>Sending institution</b>	<b>Receiving country</b>	<b>Title</b>
<b>1</b>	1/2020	Internship	SGGW, Institute of Human Nutrition Sciences	Technological University Dublin, Ireland	The effect of the dessert presentation on young consumers perception - survey among young Irish; Consumer attitudes toward molecular and 'note by note' dishes
<b>2</b>	2/2020	Internship	SGGW, Institute of Food Sciences	Universidad de La Laguna, Spain	Perception of private label products by Spanish consumers
<b>3</b>	3/2020	Internship	SGGW, Institute of Civil Engineering	L.N. Gumilyov Eurasian National University, Kazakhstan	Soil structure interaction accounting for nonlinear stiffness of soil
<b>4</b>	5/2020	Conference	SGGW, Institute of Human Nutrition Sciences	online	15th Conference on Polysaccharides-Glycoscience
<b>5</b>	6/2020	Internship	SGGW, Institute of Veterinary Medicine	Autonomous University of Barcelona, Spain	Promising biomarkers of canine mammary tumors
<b>6</b>	7/2020	Internship	University of Agricultural Sciences and Veterinary Medicine of Cluj Napoca, Romania	SGGW, Institute of Veterinary Medicine	The use of milk samples in diagnosis of SRLV infection in goats
<b>7</b>	8/2020	Conference	SGGW, Institute of Environmental Engineering	online	International conference on the Status and Future of the World's Large Rivers
<b>8</b>	9/2020	Conference	SGGW, Institute of Horticultural Sciences	online	International symposium on Light in Horticulture
<b>9</b>	10/2020	Internship	SGGW, Institute of Veterinary Medicine	Medical University of Vienna, Austria	Characterization of the immune response in the (HEK293 cells transfected with Toll-like receptors) epithelial cell populations responding to excretory-secretory <i>Toxocara canis</i> molecules
<b>10</b>	11/2020	Summer school	SGGW, Institute of Human Nutrition Sciences	online	33rd Residential 3-week Summer Course in Epidemiology
<b>11</b>	12/2020	Summer school	SGGW, Institute of Human Nutrition Sciences	University of Pisa, Italy	Consciousness and Cognition
<b>12</b>	14/2020	Winter school	SGGW, Institute of Veterinary Medicine	Switzerland	Cell Analysis in Immunology
<b>13</b>	15/2020	Winter school	SGGW, Institute of Veterinary Medicine	Switzerland	Cell Analysis in Immunology
<b>14</b>	16/2020	Internship	University of Santiago de Compostela, Spain	SGGW, Institute of Human Nutrition Sciences	Evaluation of novel biodegradable composite films based on bacterial cellulose and its applications
<b>15</b>	18/2020	Conference	Università della Campania Luigi Vanvitelli, Italy	SGGW, Institute of Environmental Engineering	2020 6th IAHR Europe Congress

16	1/2021	Conference	Nigde Omer Halisdemir University, Turkey	online	IACIS Conference Europe 2021
17	2/2021	Internship	SGGW, Institute of Veterinary Medicine	University of Turin, Italy	Possibilities to capitalize on and performing minimally invasive and biological, techniques in veterinary surgery and veterinary orthopaedics in the surgical treatment of diseases in dogs and cats: improvement of bone distractor in minimally invasive treatment of long bone fractures in small animals
18	3/2021	Internship	Louisiana State University, USA	SGGW, Institute of Food Sciences	Antimicrobial activity of pullulan film with hibiscus oil
19	5/2021	Internship	SGGW, Institute of Food Sciences	Aristotle University of Thessaloniki, Greece	Encapsulation of plant extracts, juices and concentrates by spray drying
20	6/2021	Internship	SGGW, Institute of Animal Sciences	Norwegian Institute of Bioeconomy Research, Norwegian Genetic Resource Centre, Norway	Simulating breeding strategies for the endangered cattle breed populations in Norway based on pedigree data from the NGRC database Kuregsiteret
21	8/2021	Internship	SGGW, Institute of Wood Sciences and Furniture	Institute of Analytical Sciences and Physico-Chemistry for Environment and Materials, University of Pau and the Adour Region, France	Preparation and characterization of selected environment-friendly modified layered lignocelluloses composites based on biopolymer blends
22	9/2021	Internship	SGGW, Institute of Biology	Bogazici University, Turkey	SH-SY5Y (human bone marrow neuroblastoma) cell line differentiation
23	10/2021	Internship	SGGW, Institute of Economics and Finance	Parthenope University of Naples, Italy	Fiscal consolidation and tax evasion
24	11/2021	Internship	SGGW, Institute of Economics and Finance	Parthenope University of Naples, Italy	Beef or veggies? What is the impact of an inviting steak on business cycles
25	12/2021	Internship	L.N. Gumilyov Eurasian National University, Kazakhstan	SGGW, Institute of Economics and Finance	Food Security – the EU Approach
26	13/2021	Internship	L.N. Gumilyov Eurasian National University, Kazakhstan	SGGW, Institute of Economics and Finance	Urbanization in Poland
27	14/2021	Internship	SGGW, Institute of Forest Sciences	Czech University of Life Sciences, Czech Republic	Comparison of tree dimensions and radial growth of selected Polish provenances of Norway spruce growing in the climatic conditions of the Czech Republic and Poland
28	15/2021	Internship	Czech University of Life Sciences, Czech Republic	SGGW, Institute of Economics and Finance	The Impact of Short-term Rentals on Real Estate Prices
29	16/2021	Internship	University of Natural Resources and Life Sciences, Austria	SGGW, Institute of Animal Sciences	Modern techniques of animal products analysis
30	17/2021	Internship	SGGW, Institute of Forest Sciences	Mendel University, Czech Republic	European ash wood anatomical features
31	18/2021	Internship	SGGW, Institute of Veterinary Medicine	INRA Research Center in Food Toxicology, France	Effects of mycotoxins on pig health using in vitro / ex vivo approaches
32	19/2021	Internship	SGGW, Institute of Wood Sciences and Furniture	Czech University of Life Sciences, Czech Republic	Determination of dendrometric properties of Norway spruce wood (Picea Abies (L.) Karst.) using professional software such as WinDENDRO

33	20/2021	Internship	SGGW, Institute of Human Nutrition Sciences	University of Santiago de Compostela, Spain	Characterization of bacterial cellulose films combined with chitosan: evaluation of water adsorption, mechanical, barrier and light properties for applications in food packaging
34	21/2021	Internship	Ordu University, Turkey	SGGW, Institute of Horticultural Sciences	Eriophyoid mites: taxonomic and molecular identification, mass rearing and biological control
35	22/2021	Internship	Transilvania University of Braşov, Romania	SGGW, Institute of Forest Sciences	Modelling individual tree diameter increment in mixed unmanaged uneven aged forests
36	23/2021	Internship	National University of Life and Environmental Sciences, Ukraine	SGGW, Institute of Veterinary Medicine	The new methods for monitoring and analysis infections, their diagnosis, prevention and treatment
37	24/2021	Internship	"Gheorghe Asachi" Technical University of Iaşi, Romania	SGGW, Institute of Economics and Finance	Circular Business Models and Applications across industries
38	25/2021	Internship	National University of Life and Environmental Sciences, Ukraine	SGGW, Institute of Veterinary Medicine	Modern technics use in diagnosing infectious diseases (ELISA, PCR, realtime PqR, Luminex, western blotting)
39	26/2021	Internship	University of Agricultural Sciences and Veterinary Medicine of Cluj Napoca, Romania	SGGW, Institute of Veterinary Medicine	Efficacy of diagnosis and screening for Mycoplasma agalactiae by use of commercial ELISA kit goat herds
40	27/2021	Internship	SGGW, Institute of Food Sciences	University of Latvia, Latvia	The effect of selenium and anhydrobiosis on the physiological activity of yeast cells
41	1/2022	Internship	SGGW, Institute of Food Sciences	Universita de Bologna, Italy	Vacuum impregnation of strawberries
42	2/2022	Internship	University of Novi Sad, Serbia	SGGW, Institute of Environmental Engineering	Home garden as a tool in creating social capital - cultural ecosystem services provided by gardens in Poland, Indonesia and Serbia
43	3/2022	Conference, Internship	University of Debrecen, Hungary	online SGGW, Management Institute	IACIS Conference Europe 2022 Attitudes toward distance education in the light of the coronavirus pandemic from the perspective of psychological capital and health
44	4/2022	Internship	University of Santiago de Compostela, Spain	SGGW, Institute of Human Nutrition Sciences	Analysis of the main compounds from plant extracts for the development of chitosan-based active films
45	5/2022	Summer school	SGGW, Institute of Human Nutrition Sciences	Hebrew University of Jerusalem, Israel	Mediterranean Diet: from Genes to Health
46	6/2022	Summer school	SGGW, Institute of Human Nutrition Sciences	Hebrew University of Jerusalem, Israel	Mediterranean Diet: from Genes to Health
47	7/2022	Internship	SGGW, Institute of Agriculture	Swedish University of Agricultural Sciences, Sweden	Impact of ruminant nutrition on methane production
48	8/2022	Summer school	SGGW, Institute of Horticultural Sciences	Swedish University of Agricultural Sciences, Sweden	Plant Protection Biology: improving plant health under climate change and other stresses
49	9/2022	Internship	National University of Life and Environmental Sciences, Ukraine	SGGW, Institute of Economics and Finance	SMEs business process optimization as the basis of lean management concept

50	10/2022	Internship	SGGW, Institute of Wood Sciences and Furniture	Institute of Analytical Sciences and Physico-Chemistry for Environment and Materials, University of Pau and Pays de l'Adour, France	Chemical characterization of selected post-consumer wood and wood-based composites towards their cascade use
51	11/2022	Internship	SGGW, Institute of Forest Sciences	Instituto Nacional de Investigacion y Tecnologia Agraria y Alimentaria, Spain	Functional types of species specific stress patterns (isohydric and anisohydric) and the relevance for intra- and interspecific interaction
52	12/2022	Internship	Lviv National Environmental University, Ukraine	SGGW, Institute of Environmental Engineering	Application of geographic information systems in agricultural land management
53	13/2022	Internship	SGGW, Institute of Human Nutrition Sciences	Maastricht University, Netherlands	Investigation of survival rate and nutritional changes from a non-dairy probiotic product during in vitro digestion
54	15/2022	Internship	Podilia State University, Ukraine	SGGW, Institute of Economics and Finance	Rural tourism as a factor of socio-economic development of rural territories
55	16/2022	Internship	National University of Life and Environmental Sciences, Ukraine	SGGW, Institute of Veterinary Medicine	Epidemiological methods of analysis of the spread of bee diseases of different etiology
56	17/2022	Internship	SGGW, Institute of Food Sciences	University of Latvia, Latvia	The effect of anhydrobiosis and some chemical elements upon the physiological activity of yeast cells
57	18/2022	Internship	SGGW, Institute of Animal Sciences	Centre for Anthropobiology&Genomics of Toulouse, The University of Toulouse III Paul Sabatier, France	Changes in the Arabian phenotype through centuries
58	1/2023	Conference	SGGW, Institute of Food Sciences	Turkey	2nd International Food Chemistry Congress
